“THE LOVE WITHIN”

Bloc Party today premiere their eagerly anticipated new song “***The Love Within***,” available to stream now via ***Infectious Music/BMG/Vagrant Records***. “***The Love Within***” is a first taste from ***Bloc Party***’s forthcoming, as-yet-untitled fifth album, due for release in early 2016.

Earlier today ***Bloc Party*** performed at London’s prestigious Maida Vale studios to open ***BBC 6 Music Live***, a weeklong series of live music broadcast from the ***BBC***. The band’s set included new songs “***The Good News***” and “***Exes***” alongside highlights from their critically lauded back catalogue including “***Octopus***” (from 2012’s ***Four***), “***Banquet***” (from 2005’s ***Silent Alarm***), and “***This Modern Love***” (also from ***Silent Alarm***).

In August, ***Bloc Party*** made their live return in America, playing two sold out shows on the West Coast before an acclaimed appearance at this year’s ***FYF Fest***, where they headlined ***The Lawn*** stage. They are confirmed to headline ***Falls Festival*** in Australia this winter, and play a run of intimate European shows in November-December; see www.bloc.party for details:

27 November - Paradiso, Amsterdam, NL - **SOLD OUT**
